## GAME RULES

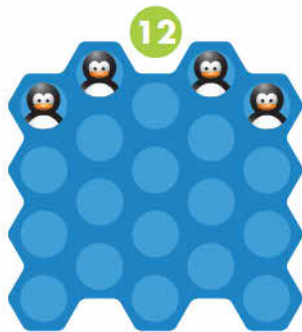

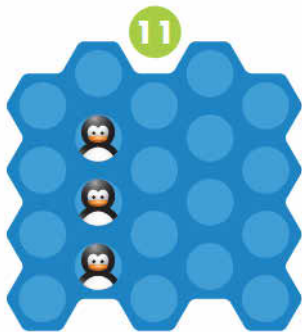

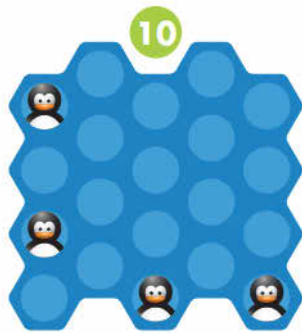

- 1** Choose a challenge. Make sure the game board is placed in the correct direction and place the penguins in the water as indicated. Easier challenges use more penguins than the more difficult ones.
- 2** Try to place the 4 ice blocks on the game board, without covering any of the penguins in the water. Some places on the board will remain empty when in challenges where less than 4 penguins are used.
- 3** There is only 1 solution, found at the end of the booklet.
